This table has been generated automatically, using the conclusions recorded in the metadata for each judgment contained in HUDOC, the Court's case-law database.

1. Other judgments: just satisfaction, revision, preliminary objections and lack of jurisdiction.

2. Figures in this column may include conditional violations.

3. Cases in which the Court held there would be a violation of Article 2 and/or 3 if the applicant was removed to a State where he/she was at risk.
